LETTER

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This letter is in response to Paper No. 061504 mailed from the Patent Office on July 15, 2004. This Communication included the Examiner's Interview Summary of a telephone interview on June 15, 2004 (erroneously identified as June 16, 2004 in the Interview Summary). The participants were Supervisory Patent Examiner, Terrel Morris, Examiner Victor Chang and the undersigned attorney. Although Applicants' attorney summarized the interview in the amendment mailed to the Patent Office on July 12, 2004, Applicants did not include a request for rejoinder in the response for the species election even though the Examiner's had made such a suggestion during the interview. Accordingly, Applicants respectfully request that all of the claims in the application be rejoined per MPEP 821.04 and fully examined under 37 CFR 1.104 upon any indication by the Examiner of allowable subject matter in the elected claims.

Respectfully submitted,

RENNER, OTTO, BOISSELLE & SKLAR, LLP
